

## Product Datasheet

### Rat EML2 ELISA Kit (orb439294)

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb439294                                                                              |
| <b>Category</b>        | Assays and Kits                                                                        |
| <b>Description</b>     | Rat Echinoderm Microtubule Associated Protein Like Protein 2 (EML2) Sandwich ELISA Kit |
| <b>Reactivity</b>      | Rat                                                                                    |
| <b>Form/Appearance</b> | Traditional                                                                            |
| <b>UniProt ID</b>      | <b>Q6P6T4</b>                                                                          |
| <b>Assay Type</b>      | Sandwich                                                                               |
| <b>Assay Time</b>      | 4.5 hours                                                                              |
| <b>Range</b>           | 0.312-20 ng/mL                                                                         |
| <b>Sensitivity</b>     | 0.126 ng/mL                                                                            |
| <b>Sample Types</b>    | tissue homogenates and other biological fluids                                         |
| <b>Storage</b>         | TMB Substrate, Wash Buffer, Stop Solution at 4°C, all others at -20°C                  |
| <b>Note</b>            | For research use only                                                                  |
| <b>Entrez</b>          | <b>192360</b>                                                                          |
| <b>Expiration Date</b> | Please enquire.                                                                        |
