

## Product Datasheet

### Human IL-17B protein (orb4513)

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb4513                                                                                                                                                                                                                               |
| <b>Description</b>     | Recombinant Human Interleukin-17B is produced by our Mammalian expression system and the target gene encoding Gln21-Phe180 is expressed with a Fc tag at the C-terminus.                                                              |
| <b>Endotoxins</b>      | Less than 0.1 ng/ug (1 EU/ug)                                                                                                                                                                                                         |
| <b>Form/Appearance</b> | Lyophilized from a 0.2 um filtered solution of 20mM PB, 150mM NaCl, pH 7.4.                                                                                                                                                           |
| <b>Storage</b>         | Lyophilized protein should be stored at -20°C, though stable at room temperature for 3 weeks. Reconstituted protein solution can be stored at 4-7°C for 2-7 days. Aliquots of reconstituted samples are stable at -20°C for 3 months. |
| <b>Tag</b>             | C-Fc                                                                                                                                                                                                                                  |
| <b>Note</b>            | For research use only                                                                                                                                                                                                                 |
| <b>Uniprot ID</b>      | <b>Q9UHF5</b>                                                                                                                                                                                                                         |
| <b>Expiration Date</b> | 6 months from date of receipt.                                                                                                                                                                                                        |
