| <b>Catalog Number</b>       | orb454256                                                                                                                                                                                                    |
| <b>Category</b>             | Antibodies                                                                                                                                                                                                   |
| <b>Description</b>          | Olfactory Marker Protein Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting OMP. This antibody is suitable for IF, IHC-Fr, IHC-P. It exhibits reactivity with Mouse, Rat samples. |
| <b>Target</b>               | OMP                                                                                                                                                                                                          |
| <b>Clonality</b>            | Polyclonal                                                                                                                                                                                                   |
| <b>Species/Host</b>         | Rabbit                                                                                                                                                                                                       |
| <b>Isotype</b>              | IgG                                                                                                                                                                                                          |
| <b>Conjugation</b>          | Biotin                                                                                                                                                                                                       |
| <b>Reactivity</b>           | Mouse, Rat                                                                                                                                                                                                   |
| <b>Predicted Reactivity</b> | Human                                                                                                                                                                                                        |
| <b>Concentration</b>        | 1mg/ml                                                                                                                                                                                                       |
| <b>Buffer/Preservatives</b> | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                       |
| <b>Purification</b>         | Affinity purified by Protein A                                                                                                                                                                               |
| <b>Immunogen</b>            | KLH conjugated synthetic peptide derived from human Olfactory Marker Protein (2-100/163aa)                                                                                                                   |
| <b>Tested applications</b>  | IF, IHC-Fr, IHC-P                                                                                                                                                                                            |
