

## Product Datasheet

# Human PDIA5 ELISA Kit (Ready to Use) (orb552098)

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>  | orb552098                                                                                                                                      |
| <b>Category</b>        | Assays and Kits                                                                                                                                |
| <b>Description</b>     | Human Protein Disulfide Isomerase A5 (PDIA5) Sandwich ELISA Kit Ready to Use: Pre-diluted detection reagents for convenient and simple assays. |
| <b>Reactivity</b>      | Human                                                                                                                                          |
| <b>Form/Appearance</b> | Ready to Use                                                                                                                                   |
| <b>UniProt ID</b>      | <b>Q14554</b>                                                                                                                                  |
| <b>Assay Type</b>      | Sandwich                                                                                                                                       |
| <b>Assay Time</b>      | 3 hours                                                                                                                                        |
| <b>Range</b>           | 0.156-10 ng/mL                                                                                                                                 |
| <b>Sensitivity</b>     | 0.064 ng/mL                                                                                                                                    |
| <b>Sample Types</b>    | tissue homogenates and other biological fluids                                                                                                 |
| <b>Storage</b>         | Store at -20°C                                                                                                                                 |
| <b>Note</b>            | For research use only                                                                                                                          |
| <b>Entrez</b>          | <b>10954</b>                                                                                                                                   |
| <b>Expiration Date</b> | Please enquire.                                                                                                                                |
