# Recombinant MTAP (Tumor Suppressor Marker) Antibody (orb607547)

|                     |                                                                                                                                                                                        |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number      | orb607547                                                                                                                                                                              |
| Category            | Antibodies                                                                                                                                                                             |
| Description         | Mouse monoclonal antibody to MTAP (Tumor Suppressor Marker)                                                                                                                            |
| Target              | MTAP                                                                                                                                                                                   |
| Clonality           | Monoclonal                                                                                                                                                                             |
| Species/Host        | Mouse                                                                                                                                                                                  |
| Isotype             | IgG1                                                                                                                                                                                   |
| Conjugation         | Unconjugated                                                                                                                                                                           |
| Reactivity          | Human                                                                                                                                                                                  |
| Form/Appearance     | 200ug/ml of Ab produced in HEK293 cell mammalian-based expression system. Prepared in 10mM PBS with 0.05% rAlbumin & 0.05% azide. Also available WITHOUT rAlbumin & azide at 1.0mg/ml. |
| Immunogen           | Recombinant human MTAP protein fragment (aa97-196) (exact sequence is proprietary)                                                                                                     |
| UniProt ID          | <b>Q13126</b>                                                                                                                                                                          |
| MW                  | 31kDa                                                                                                                                                                                  |
| Tested applications | IHC, WB                                                                                                                                                                                |
| Antibody Type       | Recombinant Antibody                                                                                                                                                                   |
| Clone Number        | rMTAP/1813                                                                                                                                                                             |
