

## Product Datasheet

### USP36 Antibody (orb632447)

|                            |                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>      | orb632447                                                                                                                               |
| <b>Description</b>         | Rabbit polyclonal antibody to USP36                                                                                                     |
| <b>Species/Host</b>        | Rabbit                                                                                                                                  |
| <b>Reactivity</b>          | Human, Mouse                                                                                                                            |
| <b>Conjugation</b>         | Unconjugated                                                                                                                            |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                               |
| <b>Immunogen</b>           | ubiquitin specific peptidase 36                                                                                                         |
| <b>Target</b>              | USP36                                                                                                                                   |
| <b>Form/Appearance</b>     | liquid                                                                                                                                  |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles. |
| <b>Note</b>                | For research use only                                                                                                                   |
| <b>Isotype</b>             | IgG                                                                                                                                     |
| <b>Clonality</b>           | Polyclonal                                                                                                                              |
| <b>Antibody Type</b>       | Primary Antibody                                                                                                                        |
| <b>Purity</b>              | ≥95% as determined by SDS-PAGE                                                                                                          |
| <b>MW</b>                  | 84 kDa                                                                                                                                  |
| <b>Uniprot ID</b>          | <b>Q9P275</b>                                                                                                                           |
| <b>Dilution Range</b>      | WB: 1:200-1:2000; IP: 1:200-1:1000                                                                                                      |
