

## Product Datasheet

### CCR7 Antibody (N-term) (Ascites) (orb652162)

|                            |                                                                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Mouse monoclonal antibody to CCR7                                                                                                      |
| <b>Species/Host</b>        | Mouse                                                                                                                                  |
| <b>Reactivity</b>          | Human                                                                                                                                  |
| <b>Conjugation</b>         | Unconjugated                                                                                                                           |
| <b>Tested Applications</b> | WB                                                                                                                                     |
| <b>Immunogen</b>           | Synthetic Peptide                                                                                                                      |
| <b>Target</b>              | CCR7                                                                                                                                   |
| <b>Form/Appearance</b>     | Mouse monoclonal antibody supplied in crude ascites with 0.09% (W/V) sodium azide.                                                     |
| <b>Storage</b>             | Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles |
| <b>Note</b>                | For research use only                                                                                                                  |
| <b>Isotype</b>             | IgG1                                                                                                                                   |
| <b>Clonality</b>           | Monoclonal                                                                                                                             |
| <b>Clone Number</b>        | 617CT2.2.1                                                                                                                             |
| <b>Antibody Type</b>       | Primary Antibody                                                                                                                       |
| <b>MW</b>                  | 42874                                                                                                                                  |
| <b>Uniprot ID</b>          | <b>P32248</b>                                                                                                                          |
| <b>NCBI</b>                | <b>NP_001829.1</b>                                                                                                                     |
| <b>Dilution Range</b>      | WB: 1:200-3200                                                                                                                         |

**Expiration Date**

12 months from date of receipt.

CCR7 Antibody (N-term) (Ascites) western blot analysis in HL-60 cell line lysates (35 µg/lane). This demonstrates the CCR7 antibody detected the CCR7 protein (arrow).
