

## Product Datasheet

### Rabbit Anti-Rat IgG H&L, RBITC conjugated (orb868857)

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| <b>Catalog Number</b>      | orb868857                                                               |
| <b>Description</b>         | Rabbit Anti-Rat IgG H&L, RBITC conjugated                               |
| <b>Species/Host</b>        | Rabbit                                                                  |
| <b>Reactivity</b>          | Rat                                                                     |
| <b>Conjugation</b>         | RBITC                                                                   |
| <b>Tested Applications</b> | IF                                                                      |
| <b>Immunogen</b>           | Native Rat IgG                                                          |
| <b>Preservatives</b>       | 10 mM TBS (pH=7.4) with 1% rAlbumin, 0.03% Proclin300 and 50% glycerol. |
| <b>Concentration</b>       | 2.0 mg/ml                                                               |
| <b>Storage</b>             | Store at -20°C for one year. Avoid repeated freeze/thaw cycles.         |
| <b>Note</b>                | For research use only                                                   |
| <b>Isotype</b>             | IgG                                                                     |
| <b>Clonality</b>           | Polyclonal                                                              |
| <b>Antibody Type</b>       | Secondary Antibody                                                      |
| <b>Dilution Range</b>      | IF=1:100-1000                                                           |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                         |
