

## Product Datasheet

### Phospho-NFkB p65 (Thr435) Rabbit Polyclonal Antibody (PE-Cy5) (orb878964)

|                            |                                                                                                                          |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Phospho-NFkB p65 (Thr435) Rabbit Polyclonal Antibody (PE-Cy5)                                                            |
| <b>Species/Host</b>        | Rabbit                                                                                                                   |
| <b>Reactivity</b>          | Human, Mouse                                                                                                             |
| <b>Conjugation</b>         | PE/Cy5                                                                                                                   |
| <b>Tested Applications</b> | FC, ICC                                                                                                                  |
| <b>Immunogen</b>           | KLH conjugated Synthesised phosphopeptide derived from human NFkBp65 around the phosphorylation site of Thr435 EG(p-T)LS |
| <b>Target</b>              | RELA                                                                                                                     |
| <b>Preservatives</b>       | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                   |
| <b>Concentration</b>       | 1mg/ml                                                                                                                   |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles.                                          |
| <b>Note</b>                | For research use only                                                                                                    |
| <b>Isotype</b>             | IgG                                                                                                                      |
| <b>Clonality</b>           | Polyclonal                                                                                                               |
| <b>Antibody Type</b>       | Primary Antibody                                                                                                         |
| <b>Dilution Range</b>      | Flow-Cyt=2ug/Test, ICC/IF=1:100                                                                                          |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                          |
