

## Product Datasheet

### Phospho-ATF2 (Thr73 / Thr55) Rabbit Polyclonal Antibody (AP) (orb920936)

|                            |                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Phospho-ATF2 (Thr73 / Thr55) Rabbit Polyclonal Antibody (AP)                                                                 |
| <b>Species/Host</b>        | Rabbit                                                                                                                       |
| <b>Reactivity</b>          | Mouse, Rat                                                                                                                   |
| <b>Conjugation</b>         | AP                                                                                                                           |
| <b>Tested Applications</b> | ELISA, IHC-Fr, IHC-P, WB                                                                                                     |
| <b>Immunogen</b>           | KLH conjugated synthesised phosphopeptide derived from human ATF2 around the phosphorylation site of Thr73 + Thr55 TP(p-T)RF |
| <b>Target</b>              | ATF2                                                                                                                         |
| <b>Preservatives</b>       | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                       |
| <b>Concentration</b>       | 1mg/ml                                                                                                                       |
| <b>Storage</b>             | Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles.                                              |
| <b>Note</b>                | For research use only                                                                                                        |
| <b>Isotype</b>             | IgG                                                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                                   |
| <b>Antibody Type</b>       | Primary Antibody                                                                                                             |
| <b>Dilution Range</b>      | WB=1:500-2000, IHC-P=1:100-500, IHC-F=1:100-500, ELISA=1:5000-10000                                                          |
| <b>Expiration Date</b>     | 12 months from date of receipt.                                                                                              |
