

## Product Datasheet

### Phospho-PKM2 (Tyr148) Rabbit Polyclonal Antibody (PE-Cy7) (orb961410)

|                             |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>       | orb961410                                                                                                             |
| <b>Category</b>             | Antibodies                                                                                                            |
| <b>Description</b>          | Phospho-PKM2 (Tyr148) Rabbit Polyclonal Antibody (PE-Cy7)                                                             |
| <b>Target</b>               | PKM                                                                                                                   |
| <b>Clonality</b>            | Polyclonal                                                                                                            |
| <b>Species/Host</b>         | Rabbit                                                                                                                |
| <b>Isotype</b>              | IgG                                                                                                                   |
| <b>Conjugation</b>          | PE/Cy7                                                                                                                |
| <b>Reactivity</b>           | Human                                                                                                                 |
| <b>Predicted Reactivity</b> | Bovine, Guinea pig, Mouse, Porcine, Rabbit, Rat, Sheep                                                                |
| <b>Concentration</b>        | 1mg/ml                                                                                                                |
| <b>Buffer/Preservatives</b> | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                |
| <b>Purification</b>         | Affinity purified by Protein A                                                                                        |
| <b>Immunogen</b>            | KLH conjugated Synthesised phosphopeptide derived from human PKM2 around the phosphorylation site of Tyr148 NA(p-Y)ME |
| <b>Tested applications</b>  | FC                                                                                                                    |
| <b>Dilution range</b>       | Flow-Cyt=1ug/Test                                                                                                     |
| <b>Antibody Type</b>        | Primary Antibody                                                                                                      |
