

## Product Datasheet

### Phospho-cdc25C (Thr48) Rabbit Polyclonal Antibody (Cy3) (orb988807)

|                             |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog Number</b>       | orb988807                                                                                                              |
| <b>Category</b>             | Antibodies                                                                                                             |
| <b>Description</b>          | Phospho-cdc25C (Thr48) Rabbit Polyclonal Antibody (Cy3)                                                                |
| <b>Target</b>               | CDC25C                                                                                                                 |
| <b>Clonality</b>            | Polyclonal                                                                                                             |
| <b>Species/Host</b>         | Rabbit                                                                                                                 |
| <b>Isotype</b>              | IgG                                                                                                                    |
| <b>Conjugation</b>          | Cy3                                                                                                                    |
| <b>Reactivity</b>           | Human, Mouse, Rat                                                                                                      |
| <b>Concentration</b>        | 1mg/ml                                                                                                                 |
| <b>Buffer/Preservatives</b> | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                 |
| <b>Purification</b>         | Affinity purified by Protein A                                                                                         |
| <b>Immunogen</b>            | KLH conjugated Synthesised phosphopeptide derived from human cdc25C around the phosphorylation site of Thr48 PR(p-T)PV |
| <b>Tested applications</b>  | ICC, IF                                                                                                                |
| <b>Dilution range</b>       | IF=1:100-500, ICC/IF=1:100-500                                                                                         |
| <b>Antibody Type</b>        | Primary Antibody                                                                                                       |

**Storage** Shipped at 4°C. Store at -20°C for one year. Avoid repeated freeze/thaw cycles.
